INTELLIGENCE MEMORANDUM

Pueblo Sitrep No. 20
(As of 7 A.M. EST)

1. Pyongyang's propaganda on the situation continues to be limited to broadcasts of foreign Communist press statements supporting the North Korean position.

2. The Communist stand in the UN Security Council is now one of emphasizing the need of inviting Pyongyang to the discussions without any preconditions. The Communists rejected the US condition that the Council support prompt release of the ship and crew prior to any discussion of broader Korean issues with the participation of Seoul and Pyongyang.
